

April 2016

Sharing the love of Christ with our community

*Jesus,
We acknowledge
You as the Creator
who knows and
loves His creation.*

*Yet You wait for
us to invite You
into every aspect
of our lives.*

*Forgive us for
those times we
keep You at a safe
distance.*

*Today we choose to
risk knowing You*

Events Calendar

Cheri's Thrifty Tips

It is spring
somewhere.

During the month of April, winter clothes go on sale. If you haven't been able to find the winter clothing you need here at Needs Ministry, this is a great time to find deals on winter clothes and athletic shoes.

April deals - Spring cleaning? This is the month that vacuum cleaners go on sale. Need kitchen appliances or cookware? April is the month to buy these things. They go on sale in anticipation of the wedding season.

I like to start garden seedlings in April. Even a few pots of lettuce, tomatoes or your favorite veggie will save money at the grocery store. Don't have any pots? All kinds of recyclable things (2 liter bottles, cans, coffee containers) can be turned into pots. Just be sure to punch a few holes in the bottom of the pots for drainage.
