Sharing the love of Christ with our community

Did you receive the gift you wished for at Christmas?

The most important gift we can ever receive is God's gift of His Son, our Savior, and with Him forgiveness, restoration, and the promise of spiritual life that begins now and lasts forever.

And the most important gift we can ever give is to give Jesus our heart.

Heavenly Father, I confess that I become impatient and discouraged, wanting answers to prayer in my own time and on my schedule. Help me to wait patiently for Your timing in all things.

Community Caring and Sharing Board

New items added weekly

List items you no longer use - things you would be willing to share with others who might need them. OR... share a need you have. Someone else may be able to help you!

(phone numbers at desk)

1 Peter 4: 10

Each of you should use what ever gift you have received to serve others as faithful stewards of God's grace in it's various forms.

Cheri's Thrifty Tips

Donating tips:

- Don't donate items that can't be accepted: opened food or personal-care items; mattresses, cribs, sleeper sofas or box springs; children's car seats; and expired foods. Donating items that must be thrown away requires extra time to sort and dispose of them.
- Don't donate out-of-season clothes without checking first. Many charities, especially in busy urban areas, have limited storage space.
- Do wash and repair clothing you plan to donate. Most charities don't have the capacity to clean or fix items, so before packing up clothes, make sure they're in good condition and ready to be used again — no stains, rips, tears or other damage.
