*God always provides, and we at Needs Ministry are trying to be good stewards of our donations. June-July-August we will have to reduce product choices by one. We will re-evaluate in September.*

***7 days without prayer makes one weak***

# Thrifty Tips

- June is National Dairy Month – watch for grocer's specials featuring dairy products. Did you know you could freeze milk in 1 cup containers to use later in cooking?
- Soft Scrub substitute – mix equal parts of baking soda and liquid dish soap into the consistency of frosting.
- Weed Killer – 1 gallon of vinegar, 1 Cup salt (not iodized) and 2 squirts of dish soap. Mix and spray with pump sprayer, let dry and watch weeds die

## Our Volunteers

### Needs Ministry

Have you noticed the beautification of Needs' space? The signs, and the messages on the walls are all the creative product of Barb. She sets up a painting station in the back of Needs and begins to create – look around and be amazed at how nice it all looks. When she isn't creating, she is helping to sort and organize our clothing for you.

What will Barb do next? Barb makes braided table mats or rugs from old unusable T Shirts – Want to learn how? Barb is willing to hold a workshop for you – samples and sign-up sheet for July workshops are on the round table at Needs Ministry.

## Community Support

VILAS Vision's Sharing and Caring project organized several fund raisers – they used the money raised to give support to Needs Ministry and local Food Pantries.

'Jeans Fridays' allowed employees at the Court House to wear blue jeans to work; @ price – product for our Needs Pantry Shelves.

We are always so thankful for God's provision through community groups.

Check the bulletin board for opportunities to exchange services or talents with each other – there will be a space for you to post your ideas.
